- 3 Submit to: rfp@jpd.gov.bn
- 4 JPD will email the RFP document to the interested party
- 5 Any inquiries, please contact: rfp@jpd.gov.bn
- 6 Closing date: Tuesday, 28th January 2025, before 2:00 PM

Overview

An efficient and easily accessible connectivity system to facilitate the mobility of every layer of the people and population"

01

The **low population density** makes the provision of a viable public transport network quite challenging.

many residents prefer to **use private vehicles** over public transport.

02

03

Reviewed Public Transport Strategy for Brunei Darussalam include the assessment of current Public Transport System and the recommendations from past white papers and studies

Objectives

identify which route types or catchments wish to propose

Objective 01

Improve the connectivity and service level to meet the public's needs and increase public transport usage and ridership;

Objective 02

Optimize the efficiency and effectiveness of the bus route network and feeder service catchment by considering the social considerations and the mobility of the public such as for school-runs, work, errands and other journeys;

Objective 03

Provide reliable and predictable services by adhering to schedules and maintaining consistent travel time.

Objective 04

Provide comfortable and high quality services by utilising a modern fleet that meet standard requirements

Objective 05

Enhance the public transportation system with sustainable, efficient and innovative approaches to **reducing carbon foot-print and operational costs.**

REQUEST FOR PROPOSAL

invite the participation of local and/or international Contractors to submit their proposal for the provision to Provide, Operate, Manage and Maintain Public Transport Services in Brunei Darussalam

REQUIREMENT 01

- supply vehicle
- operate the services
- manage the routes and scheduling
- maintain the infrastructures

REQUIREMENT 02

- propose and operate routes and catchment
- provide and maintain bus depot
- structure public transport services

REQUIREMENT 03

- propose a business model framework for public transportation system
- identify which route types or catchments to propose
- propose a fare structure

Submission Format

prepare responses for this RFP according to the structure given

Closing Date

Tuesday, 28 January 2025 before 2.00pm

Executive Summary

Section 2
Contractor Profile,
Proposal, Experience
& References

Section 3
Local Business
Development (LBD)

Schedules
Schedule A to H

<experience & qualification>
<technical capability>
<financial capability>
<operational plan>
<business model & cost structure>
<HSSE>
<quality of service>
<sustainability practices>
<innovation & improvement>

Key Evaluation Criteria

shortlist companies to be interviewed

	Score Weightage		Score Weightage		Score Weightage
Experience and Qualifications	10%	Operational Plan	20%	Quality of Service	5%
Technical Capability	15%	Business Model and Cost Structure	20%	Sustainability Practices	5%
Financial Capability	10%	HSSE	5%	Innovation and Improvement	5%
		Local Business Development	5%		

Requirement to qualify the bid

01

Structure your Public Transport Services Proposal according to:

- routes
- group of routes
- area
- catchment

02

Create your Public Transport Concession Contract Services Model

03

Identify the vehicle Standard and Specifications to enhance the public transportation system with sustainable, efficient and eco-friendly.

04

- Comply to the Submission Format
- Understand and pay attention on the Evaluation Criteria
